Attention Village Market Vendors

Our 41st Annual Unionville Festival will be held on Saturday June 5th 2010. We are looking forward to another great year filled with crafts, food and fun. Thousands of patrons attend our Village Market and it is a wonderful opportunity to sell your creations. We hope you are able to join us in delighting the crowds once again this year as either a craft or food vendor.

Just a few housekeeping items:

- ✚ All participants must provide their own tables, chairs, awnings and display materials
- ✚ We cannot supply power to your booth
- ✚ Booths are limited to approximately 10 feet in width and length

Your location number will be confirmed approximately two weeks before the Festival and if you wish to request a specific area, please take a look at our Festival Map. Returning booth holders will be given the first opportunity to reclaim their previous year's location.

Your participation in our Festival continues to ensure its success year after year, and as a small 'thank you' for your support, we will continue to offer our 'early bird' price reduction for those who register before May 1, 2010 – please check our application form for details.

Thank you for your continued support of the Unionville Festival,
